

# Storyland School

## Donuts for Dad

Tuesday, June 6th between 7-9 am we will be celebrating Father's Day with "Donuts for Dads"! Your Father's Day gifts will be ready for you, so please take time to open your gift with your child and enjoy morning snack together.

## Summer 2017

June 1, 2017

## Pre-Kindergarten Graduation

All Pre-Kindergarten parents are invited to attend Storyland's graduation ceremony Friday, June 9th at 10:00 am.

We will begin our ceremony with a special performance, then each child will receive their diploma. Immediately following our graduation ceremony will be a short reception with refreshments and the opportunity to take pictures of your child, their friends and teachers.

After the reception, you are welcome to join us for a picnic lunch at Les Knott Park. Please remember to pack a lunch for you, your child and any siblings that may attend. You may also want to bring a blanket or something to sit on. We will be returning to Storyland for naptime between 12:30-12:45 pm.

### Thank you!

Thank you to all of our Storyland families for your continued support all year long.

A special thank you to the following students for raising the most money during our Alphabet-a-thon!

- Declan Marx
- Harper Pratt
- Mallory McCauley
- Avalynn Chavez

## Summer Program

We are all looking forward to our summer program which will begin Monday, June 12th and continue through August 17th.

## Reminders

- If you love Storyland School, please share your experience at yelp.com or you can go directly to <http://www.yelp.com/biz/storyland-preschool-livermore>
- Please exchange your child's extra clothes for the summer season.
- For your child's safety please have them wear either closed toe shoes or supportive sandals (must have a back strap). Flip flops are **not** allowed.
- Please apply sunscreen to your child every morning. We will re-apply sunscreen after nap time, with your request.
- Please check our lost and found (located in the bin under the sign-in desk) for any missing sweaters or jackets.
- Please check your child's file folder daily for their art and school work, as well as any paperwork or important notices from teachers or administration.
- Please **do not** park on the right half of the driveway on the right side of our building. That space belongs to our neighbor.
- Personal items such as toys, money, candy, gum, etc. are prohibited and should be left at home.

5 Steps to Sun Safety

Parents.com

In summer (or any other season) protecting kids from the sun's harmful rays is a must. The following are tips from the American Academy of Dermatology and the American Academy of Pediatrics:

**1. Limit outdoor playtime between 10a.m. and 4p.m.** Try to avoid exposure when the sun's rays are at their strongest. Even on cloudy or cooler days, ultraviolet (UV) rays remain strong. Shady spots can be just as tricky because of reflected light. If your child is playing outdoors during these hours, make sure to apply sufficient sunscreen.

**2. Apply sunscreen properly.** Generously apply sunscreen 20-30 minutes before your child goes out in the sun. Choose a sunscreen with SPF (Sun Protection Factor) 15 or higher. Scented and colorful sunscreens appeal to some kids and make it easier to see which areas have been covered well. Don't forget nose, ears, hands, feet, shoulders, and behind the neck; lips can also burn, so apply a lip balm with SPF protection. Reapply sunscreen every 2 to 3 hours, or after sweating or swimming.

**3. Cover up.** Wearing protective clothing and hats is one of the most important ways of warding off UV damage. When wet, light-colored clothing transmits just as much sunlight as bare skin. Keep your kids covered with dark colors, long sleeves, and pants whenever possible. And don't forget the accessories: sunglasses with UV protection to guard against burned corneas, and hats to prevent sunburned scalps and faces. Protective clothing, hats with brims, and sunglasses are just as important for babies. At the beach, bring along a large umbrella.

**4. Keep watch on medications.** Some medications increase the skin's sensitivity to the sun, so make sure to ask your doctor whether your child may be at risk. Prescription antibiotics and acne medications are the most notorious culprits, but when in doubt, ask.

**5. Set a good example for your kids.** If your child sees you following sun-safety rules, he'll take them for granted and follow suit. Skin protection is important for every member of the family, so team up with your children to stay protected when venturing out in the sun.
